Hi Elaine.

I would just like to say thank you to you for being my assessor throughout my Level 2 diploma.

You have been an extremely encouraging and inspiring influence on me and my job and the knowledge of the work I do. I have very much enjoyed our sessions and discussions together.

Thank you for also putting up with me. My confidence and pushing myself had slipped massively and it could have been very easy for you to put me off to save yourself stress but you didn't and I am forever grateful for that and I will never forget it.

Thank you also for getting me through my functional skills, I was over the moon to finally get my C's and it was all thanks to you.

Also, I have remembered the word I was looking for in our last discussion at Hothfield! It was "Dilemma"!

My best wishes to yourself and your family especially your mum and grandchildren.

Many thanks again and all the best wishes from

Aidan Hall
