

Hi Lisa

I just wanted to let you know that I have really enjoyed doing this course. I found all of the units really interesting and I have learned so much to help me with my career. I would just like to say though I think that without the help of my wonderful assessor Paul Coleman. He has been such an amazing support as well as being a great friendly person. He put me at ease and made me feel like I could achieve anything. He is now the reason I am applying for an access to nursing course. I can't thank him enough. So thank you to you and company for giving me even more opportunities with my career.

Kindest regards

Michelle Lippett
