Re: Mrs Vivian Lawrence – Witness Testimony

I have known Vivian for over 4 years, she has consistently proven herself to be a loyal, and dedicated individual in the delivery of NVQ/QCF courses at Faldonside lodge

I am grateful and inspired how she is able to communicate with all of my staffs, a diverse team from all walks of life, and deliver such high standards. She is always positive and friendly towards all my staff. This adaptability makes her ideal for my organization.

It is not always easy to find time to allocate staff for their study days, but Vivian acknowledges my difficulty and integrates well with my agenda and the running of the home. She is dynamic , attentive and will go the extra mile to support staff through their course

All my staff speaks very highly of her, and the impact this has on my organization, is highly appreciated. A clear difference is seen at Faldonside, staff feel more confident and knowledgeable in their working life

In my opinion, she is an asset to Manatec, one to keep!

Yours faithfully
