Good Afternoon Mark

It was good to talk to you earlier.

As a qualified Social Worker and Practice Educator with Leeds University from where we take student social workers on placement I have been impressed with our dealings with your Organisation to date. Your Assessor Sue Lister has built up professional relationships with 6 of my staff and I know that they find her professional, supportive and helpful. I have found her approachable and knowledgeable in all my dealings with her to date. I've looked through the content of the Diploma and it will certainly benefit our staff in their practice. I look forward to our professional relationship with Manatec continuing to be fruitful and beneficial to both our Organisations.

Regards
