Good Afternoon Mark,

Following on to our telephone conversation, here is our witness testimony on behalf of Shipdham Manor.

We have been working with Mantec for a few years now to put our staff through their apprenticeships. We have never had any concern over Manatec as a company and have always found them a pleasure to work with. The assessor/Learning Consultant we normally have here is Vivian Lawrence and she is an asset to Manatec. She is so supportive of the apprentices she has, she will, go the extra mile to support them in completing their courses/modules and will give extra time and support to who may need it. Viv has put me personally through my level 3 apprenticeship, and I could not fault the support I received from her. We have always had a good working relationship and would not use another company for our apprenticeships and look forward to continuing to work with them in the future.

Anything else you require, I will be happy to help with, please do not hesitate to contact me.

Many thanks
